### **DETAILED ACTION**

Claims 18-22 and 25-37 are pending in this application.

#### ***Information Disclosure Statement***

1. The information disclosure statement (IDS) submitted on June 3, 2003 and June 30, 2003 was noted and the submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner has considered the information disclosure statement. The following documents were not considered because the dates of publication were after the date of the priority document: 2003/005049 A1 and WO02/49600.

#### ***Action Summary***

2. The rejection of claims 18-22 and 25-37 under 35 U.S.C. 103(a) over Chen is being maintained for the reasons stated in the office action dated April 4, 2003.

#### ***Response to Arguments***

3. Applicant's arguments filed June 30, 2003 have been fully considered but they are not persuasive.

Applicants argue via the interview summary dated May 6, 2003 that the prior art of Chen teaches that the Ginseng extract is being used to stimulate physical and mental activity not as a method to soothe mammals. Examiner agrees that the reference teaches that Ginseng extract is used to stimulate physical and mental activity, however,

this extract is from the root of the Ginseng plant. The reference is drawn to ginseng extract from the berry of the Ginseng plant not the root. The reference to the root is used merely to explain that other extracts from Ginseng that can be used and the benefits that it contains. It is therefore, the position of the examiner that since that prior art comprises other additives such as orange and rose which as claimed by applicant as a sensory fragrance then the composition is taught by the prior art.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
